### Year 6 Leavers

A reminder that the Year 6 Leavers Service takes place in the church at 1:15pm on Tuesday 24 July. We are inviting the parents of the Year 6 children to join us in the school hall, at the end of the school day, where we will provide some refreshments for you and the Year 6 children.

### Ice Lolly Sale

The school council have organised an ice-lolly sale for Tuesday 17 July. All children are invited to bring in 50p to purchase an ice-lolly at lunchtime if they wish. The staff ice bucket challenge will also be carried out on this day.

### Donations

If anyone has an old TV stand, preferably on wheels, that they no longer have any use for, the afterschool club require one to house their TV, DVD and Wii. Please speak to Mrs K if you are able to help, thank you.

### School Dinner

Please note there will be a change of menu on Tuesday 24 July, our last day, and the menu will be fish and chips.

### Year 5 Bikeability

The bikeability training takes place next week for those children that signed up. All of the children need their bicycles in school on Monday. The children are also required to wear a helmet. If you have any difficulties getting your child's bicycle to school, you can borrow one of the bicycles we have stored at school. If your child does forget their helmet on the day of their training, we also have some of these which they can borrow.

### Parent Survey

As part of the school's self-review process, the governors are completing a comprehensive review of what our children, our staff and you our parents think of the school, and what areas everyone thinks need to be developed and improved. The review for the staff and children is underway, and below is the link to a parent questionnaire which the governors would like you to complete. We can only improve our school if we receive feedback about what you think we need to do better. Please try to give us constructive feedback on where we can improve. We are committed to becoming a truly outstanding school and we have everything required to achieve that. Please play your part in helping us identify areas where we can adjust our practice in order to make it better. The survey will remain open throughout the holidays, thank you. The link is:
