Improved Text Messaging System

From time to time, we send information to parents via text message to your mobile phone. A new, free, smartphone app for parents is now available for download called 'School Gateway' for Apple (iOS 8 on the iPhone 4S or later, iPad, iPod Touch) and Android (4.0 / Ice Cream Sandwich or later) devices. **Please could you download this new app to your phone** (it's free) as it will help us improve communication with parents – and save the school money.

The set-up process is simple and will take no more than a couple of minutes. For more information, please ask at the office. If you have recently changed your email address or mobile telephone number, please let us know so we can update our records. Thank you for your help.
