Parent Forum

St Peter's Governing Body will be holding a parent forum in school on Monday 14 May at 7pm. If you would like to attend please return the reply slip previously emailed out or ask at the office for a hard copy. This forum will be an opportunity for parents to bring any questions they may have directly to the governing body, hear what their roles and responsibilities are and get feedback as to where they believe the school is heading with regards to progress. They hope to see as many parents as possible.

Paying money to school online

You can now make payments online to the school for things like school trips. Paying for school items online is quicker and easier for you, safer for children and more efficient for the school.

The system is called School Gateway – and it is available for you to use now.

1. Go to www.schoolgateway.com
2. When you visit the School Gateway website for the first time, please select 'New User' and enter your email address and mobile telephone number you have registered with the school
3. The system will send a PIN code to your phone; please enter this PIN code and your account will be activated for you.

As soon as you've got the system set-up, you'll be able to pay money to the school online rather than send cash or cheques.

If you've recently changed your email address or mobile telephone number, please let us know so we can update our records.
