

## St Peter's Primary School Sports Day

Welcome to Sports Day 2018! Thank you for coming along and supporting the children. Please remember that some of the children will be relishing the chance to compete at sports, and some will be dreading it! Whilst this is a competitive event and we will end up with a winning house, please recognise that some of these children are very young, and some may loathe the thought of competing in a sports day. Give them all as much encouragement as possible as they compete, and cheer every success they have, whether that is large or small.

The first part of the morning is a round robin format. The children have been put into 6 different Pools. Each Pool contains a child from each year group and each house. The children will stay in their pools for this part of the competition. They will move between six different activities and complete them all. You can move with your child's Pool so that you can watch them compete in each activity. They will have 4 minutes at each event. At the end of 4 minutes, the scores are recorded and the Pools move round to their next activity. We simply ask that parents stay on your side of the grids and don't come and stand on our side please.

Once we have finished the round robin events, we will move to the track for the flat races. These will be a mix of obstacle and relay races.

## Programme of events

### ***PART ONE: Round Robin (9.15-10.30)***

*Activity One - Football Throw,*

*Activity Two - Standing Triple Jump,*

*Activity Three - Javelin Throw,*

*Activity Four - Bean Bag Target,*

*Activity Five - Football Dribble,*

*Activity Six - Tennis Balance.*

The adults at each activity will record the scores for each team and award 40, 30, 20, and 10 points depending on where they finish. The adults can also award bonus points for teams which show great sportsmanship and behaviour.

### ***PART TWO: Track Activities (11.00-12.00)***

The children will now go back into their classes and sit with their teachers in the pens allotted to them. All of the classes will compete in a flat race. The programme is shown opposite.

Year R – Bean Bag Balancing Race

Year 1 – Egg and Spoon Race

Year 2 – Relay Race

Year 3 – Skipping Race

Year 4 – Three Legged Race

Year 5 – Sack Race

Year 6 – Dressing Up Race

We will have heats with up to 8 children (two from each house) competing against each other in the flat races. The first three children will get 30, 20 and 10 points respectively. All of the runners will get a sticker. We will begin with Year R and work up to Year 6.

Once the races have been completed and the scores totalled, we will be awarding the cup to the winning house captains.

***The children will then return to school for a picnic lunch and a relaxing afternoon!***
