

## Year 6 – Term 5

### **English**

We shall conclude our writing of a non-fiction text about Orangutans before studying Sherlock Holmes and writing our own mystery narratives

### **Maths**

Maths this term will be heavily revision flavoured before moving onto artistic maths and technical drawing.

### **Religious Education**

This term we shall be testing out the new Diocesan syllabus units on Christianity. We shall be studying the Creation story and the wider implications of the interface between faith and science.

### **Science**

This term we shall continue our study into the biology of evolution and inheritance with an additional focus on habitats

### **P.E.**

In outdoor PE we shall try to do some of the Rugby we didn't do last term and probably move onto athletics when the weather becomes more reliable. In indoor P.E we shall have another go at the Mission Impossible dance that we began some months ago.

### **Music**

Mr. Kitching will continue to teach year 6 for 40 minutes each Monday afternoon.

### **History**

We shall be studying the Tudor dynasty.
