Year 2 Term 4

Knights and Princesses

During next term we will be reading *The Owl and the Pussycat*, *Zog and The Queens Knickers*. We will be writing poems, stories and character profiles based on these texts. We will continue to apply our knowledge of noun phrases and verbs to our writing. We will apply our knowledge of coordinating (and or but) and subordinating (when if because) conjunctions. We will also learn how to write statement sentences and apply this to report writing about castles and command sentences and apply this to instructional writing.

In mathematics we will extend our knowledge of multiplication and division. We will be learning about money and making different values using the coins and notes. We will investigate volume and capacity and begin to look at time. We will be telling the time to the nearest 5 minutes. We will embed these skills by answering word problems and through open ended investigations.

In Art we will be looking at the artist Lowry and creating images in his style.

In history we will be learning about castles. We will find out where and why they were built, what life was like in a castle and we will be visiting Leeds castle in March.

During indoor PE on Fridays we will be developing our gymnastic skills. In outdoor games on a Monday we will be looking at striking and receiving.

In computing we will be looking at technology around us (home/school and work). We will be asking and answering the questions What is the Internet? and How is data stored?

Topic Home Learning

We would like the children to create their own crown or shield to use in role play.

Hand in date Monday 27th February 2017
