Tuesday 7th September 2021

Dear Parents,

I sent two letters to you yesterday – my apologies for bombarding you already - but you needed to know the new procedures which now apply when a child tests positive for Covid. I am writing again to let you know that we do indeed have a child who has tested positive. Obviously they are now off school.

There is nothing for you to do and no action which is now required of our school. As I explained yesterday, anyone who is deemed to have had close contact with the infected child will be contacted by the NHS track and trace programme.

Please don't contact us to ask about year groups etc, as we don't divulge this information. I simply wished to make you aware that the virus is still within our community, so that any of you with vulnerable family members could consider completing regular lateral flow testing as a precautionary measure.

Best wishes

Jim Holditch
