## 1. Introduction

The Governors of St Peter's Primary School are committed to providing sound financial controls, to achieving value for money and to being worthy custodians of public money. To achieve these aims the Headteacher and the Governing Body have drawn up this Finance Policy to provide the guiding principles for which all Governors and staff will operate within.

This policy has been drawn up in accordance with the Local Authority's (LA) Scheme for Financing Schools.

## 2. Principles

St Peter's Primary School Finance Policy will adhere to the following principles:

- The responsibilities of the Governing Body, its committees and monitoring groups, the Headteacher and staff will be clearly defined and limits of delegated authority established, where applicable.

The **Governing Body** is responsible for taking steps to ensure that expenditure reflects best value principles. This is done by;

- Using performance data and financial benchmarking to **compare** to similar schools locally and nationally
- Using the information gained to **challenge** performance and set new targets
- Using fair **competition** through quotations and tenders, ensuring resources and contracts for services are secured in the most economic, efficient and effective way
- **Consulting** parents on policy development and major changes in the use of resources

The school will establish sound internal financial controls, based on the LA's Financial Controls to ensure the reliability and accuracy of its financial transactions.

The budget will reflect the school's prioritised educational objectives through its links to the School Development/Improvement Plan, which indicates the resource implications of each priority.

The budget will be subject to effective monitoring, allowing the Governors, Headteacher and staff to maintain financial control in line with the Balance Control Mechanism by reviewing the current position and taking any remedial action necessary.

The school will be adequately insured against exposure to risk.

The school will ensure that:

- The Budget Share is spent for the purpose of the school only
- Purchasing arrangements achieve value for money
- There are sound procedures for the administration of personnel matters
- There are sound procedures for the administration of payroll matters
- Stocks, stores and assets are recorded and adequately safeguarded against loss or theft
- All income due is identified and all collections receipted, recorded and banked promptly
- The operation of the bank account and the reconciliation of bank balances with the accounting records are properly controlled
- The use of a NatWest onecard is strictly controlled
- The School Voluntary Fund and any other non-public funds are administered as rigorously as public funds
- Any suspected irregularity will be reported immediately to the LA's Head of Internal Audit
- The school will adhere to current GDPR and Data Protection legislation
- Appropriate training in financial administration will be given to enable staff cover at all times

### **3. Putting Policy into Practice**

#### **3.1 Delegated Authority**

The Full Governing Body of St Peter's Primary School has overall responsibility for the management of all of the school's finances covering the revenue budget, other budgets delegated or devolved by the LA and other funds (e.g. the School Voluntary Fund).

The Full Governing Body of St Peter's Primary School will ensure the annual detailed report of the Schools Financial Value Standard (SFVS) is provided to them and the chair of governors will sign the completed form prior to sending a copy to the Local Authority.

The Finance Monitoring Group is delegated responsibility by the Full Governing Body for the following aspects of financial management;

- Evaluate and recommend the three year budget plan, which shows clear links to the School Improvement Plan, for approval by the Full Governing Body
- To review the Finance Policy and agree levels of delegation for approval by the Full Governing Body

- To approve the Charging and Remissions Policy
- To approve the Lettings Policy
- To review a Pay Policy for approval by the Full Governing Body
- To make decisions in respect of service agreements and insurance
- To advise the Full Governing Body of any consultations to change the LA Scheme for Financing Schools, to allow the school to respond to any consultation
- To report monitoring and the outturn position to the Full Governing Body, highlighting any significant variances
- Evaluate any proposed virements and report to the Full Governing Body
- Evaluate and report on Tenders for Contract Services to the Full Governing Body
- Keeping in-school financial procedures under review
- Benchmark the school's financial performance and report to the Full Governing Body

The Headteacher is responsible for implementing the decisions of the Governing Body and for the operational management of the school. The general administration of financial procedures may be delegated to other members of staff at the discretion of the Headteacher and this delegation is documented in this Finance Policy.

### **3.2 Internal Financial Controls**

The internal financial controls operated by St Peter's Primary School follow the controls set out in the LA's Scheme for Financing Schools.

### **3.3 Financial Links to the School Improvement Plan**

The School Improvement Plan has sufficient scope and depth of financial implications and it is reflected in the school's three year budget plan.

### **3.4 Monitoring and Virements**

St Peter's Primary School recognises that the regular monitoring of income and expenditure against the agreed budget is central to effective financial management. To this end, the Business Manager carries out a monthly internal monitoring procedure and discusses with the Headteacher. A monitoring report is presented at all Finance Monitoring Group meetings which reports to the Full Governing Body. Budget monitoring reports falling between Finance Monitoring Group meetings are uploaded to GovernorHub for finance governors' perusal. Monitoring reports are submitted to the LA in accordance with its timetable. Governors should ensure their meetings are timed to see all monitoring submitted to the LA either prior to submission or soon after. This will ensure they have an up-to-date position of the school's finances.

On occasions, virements need to be carried out. Virements to the approved budget are minuted appropriately and require the following authorisation:

- Virements up to £8,000 - The Headteacher, reported to the Finance Monitoring Group
- Virements over £8,000 up to £15,000 – The Finance Monitoring Group
- Virements over £15,000 – The Full Governing Body

### **3.5 Insurance**

St Peter's Primary School is insured through the Kent County Council (KCC) 'Safe Hands' Scheme with relevant cover, as identified by the schedule received from the LA's Insurance section. Additionally "The Lodge" building is insured through the Rochester Diocese. St Peter's Primary School does not purchase Money Cover through the Safe Hands scheme and therefore recognises that cash is not insured.

### **3.6 Purchasing**

All staff adhere to the school procedures for purchasing items, as laid down in the School's Staff Handbook, paying regard to value for money at all times. All orders and invoices are authorised prior to payment. The Business Manager may authorise those up to £5,000. All others are authorised by the Headteacher.

Where the school purchases large items, we adhere to the procedure for Spending the Council's Money as laid down in the Scheme for Financing Schools

(<https://www.kent.gov.uk/business/doing-business-with-kent-county-council/how-we-buy-goods-and-services>) in summary;

- For orders in excess of £8,000, but less than £50,000, three written quotations are obtained and submitted to the Finance Monitoring Group for approval and report to Full Governing Body
- For orders in excess of £50,000, no fewer than three competitive tenders are sought and submitted to the Full Governing Body for approval

All of the above will be reported and minuted at the Full Governing Body meeting to ensure that the School is seen to be obtaining value for money at all times.

**The school does not enter into any Hire Purchase agreements, Finance agreements or Finance Leases as this constitutes borrowing which is not permitted.**

### **3.7 Personnel Matters**

At St Peter's Primary School, at the start of every financial year the Business Manager uses Budget Planning Software to calculate the salary costs of all members of staff, including increments, where applicable. These details are incorporated into the school budget planning process.

The Headteacher Appraisal Panel undertakes an annual review of the Headteacher's salary and recommends enhancements, if applicable, to the Full Governing Body for approval.

The Headteacher undertakes an annual review of all other staff, in accordance with the Pay Policy and reports to the Full Governing Body.

Details of all salaries are recorded as a confidential item in the minutes.

### **3.8 Payroll Matters**

The payroll provider at St Peter's Primary School is Medway Council, who provide payroll services to the specification laid down by the LA. The Business Manager signs off the monthly payroll reports once they have been checked for accuracy; the Headteacher confirms the validity of employees on the monthly report.

### **3.9 Safeguard of Stocks, Stores and Assets**

All staff at St Peter's Primary School are responsible for the security of school assets. Assets are safeguarded and recorded on a general asset register, maintained and updated by school finance personnel. The asset register is checked at least on an annual basis and certified by the Headteacher.

Wherever possible items of value are held in a locked cupboard/cabinet and are visibly security marked to deter theft.

Where assets are written off and disposed of, the Finance Monitoring Group agrees this on behalf of the Full Governing Body and the agreement is minuted.

Where school assets are loaned to staff or pupils, a loans record is completed and signed when borrowing the item and again when the item is returned.

### **3.10 Income**

At St Peter's Primary School, the Lettings Policy is reviewed by the Finance Monitoring Group and approved on an annual basis by the Governing Body.

Where debts are required to be written off, after every effort has been made by the Headteacher and Governors to recoup the monies, the Full Governing Body will approve up to £1,000. Approval to write off debts over £1,000 is required in writing from the LA Finance Business Partner CYPE.

We have agreed a level of cash to be held in school at any one time as £200. Cash will be receipted, recorded and banked promptly at all times.

### **3.11 The School Bank Account**

St Peter's Primary School operates its school bank account(s) in accordance with the regulations in the LA's Scheme for Financing Schools. The school operates only one current account for the administration of KCC official funds.

Bank account signatories are updated immediately there is a change in staffing and details are copied to the Schools Financial Services, as a matter of course.

St Peter's Primary School may pay suppliers/invoices via online banking/BACS ensuring it adheres to all financial controls within the Scheme for Financing Schools.

Bank statements at St Peter's Primary School are received on a weekly basis and reconciled in accordance with LA guidelines. The person reconciling the bank statement signs and dates the reconciliation, which is then checked and countersigned by the Business Manager (or Headteacher if the Business Manager has carried out the reconciliation).

### **3.12 Petty Cash**

St Peter's Primary School does not operate petty cash system.

### **3.13 NatWest onecard**

St Peter's Primary School operates an approved **onecard** in accordance with the LA guidance.

The approved users are:

Anne Cooper whose monthly card limit is £2,000

Jim Holditch whose monthly card limit is £2,000

Gayle Rein whose monthly card limit is £2,000.

Personal credit and debit cards will not be used for the purchase of items for the school.

### **3.14 The Voluntary Fund**

In addition to the LA's official funds, St Peter's Primary School also operates a school Voluntary Fund, adopting the procedures in the LA's School Voluntary Fund Guidance. We recognise that our Voluntary Fund is an additional source of income and that the controls over its use need to be as rigorous as for the administration of the school's delegated budget. We have appointed someone who is independent of the school's financial administration to audit the Voluntary Fund accounts on an annual basis. All monies for the Voluntary Fund are held securely and separately from those of the school budget.

### **3.15 Irregularities**

All staff at St Peter's Primary School are aware of the LA's Whistleblowing procedure and to whom they should report concerns. These details are available to staff in the Whistleblowing Policy.

### **3.16 Data Protection**

St Peter's Primary School (as Data Controller) adheres to the GDPR and the Data Protection Act 2018 including paying a data protection fee to the Information Commissioners Office (ICO). St Peter's Primary School pays £35 as determined by the ICO.

### **3.17 Information Systems**

St Peter's Primary School has a password protection procedure laid down in the Online Safety Policy. Disclosure of any password or security information is not permitted. Use of 'strong' passwords to access school systems will include numbers, letters and symbols, with 8 or more characters, does not contain a dictionary word and is only used on one system. Systems are backed up regularly and the backups held securely, virus protection is in place and is updated regularly and the school has a disaster recovery plan for the administration network.

### **3.18 Financial Administration**

At St Peter's Primary School, two members of staff are trained in the use of the finance software and financial administration procedures, in event of staff absence. We also purchase a support contract through the Schools Financial Services which is reviewed on an annual basis, allowing us the option to purchase additional support, if required.
