The FIZZPOP Science Assembly went down extremely well with the children this week. They got to see some very exciting demonstrations and inspiring experiments! Children will have brought home a leaflet giving information on the weekly FIZZPOP after school science club, available to Years 1 to 6, starting next term.

If you would like to sign up, please do so online at www.fizzpopscience.co.uk Places are going fast so if you're interested, don't delay!

Any Old Umbrellas!

Miss Henning in Year 6 is asking for any unwanted umbrellas for a class project. These should be adult umbrellas please and in working order. Please drop them into the school office.

Celebration Assembly

Unfortunately, there was no celebration assembly this week as the school hall is currently being used by Year 6 whilst their classroom is undergoing ceiling repairs.

We hope to be back to normal within the next two weeks.

SPSA

Recycle Your Unwanted Gifts!

Do you have any unwanted gifts or items that could be donated to the SPSA for upcoming events?

Mother's Day is approaching and the SPSA would welcome any gifts that can be used for the children to purchase.

Unwanted gifts or donations will always be gratefully received for tombola's, raffles etc. at future planned events. Donations can be dropped into the school office at any time. Thank you.

Missing Library Books

Some children will receive letters today regarding overdue library books. Unfortunately, we currently have 88 books missing from the library and until the book is returned/replaced your child will not be able to take another book from the library. Please inform your teacher if you will return the book or if the book has been misplaced and will be replaced with a like-for-like copy.

Hub of Hope

The Hub of Hope is the UK's leading mental health support database. It is provided by national mental health charity, Chasing the Stigma, and brings local, national, peer, community, charity, private and NHS mental health support and services together in one place for the first time.

Any families who may need support with mental and emotional distress can access it here: www.hubofhope.co.uk
